

Suggested 7 day itinerary

The coastline of Oman has much to offer and you are of course free to explore at your own leisure, however for those looking for some guidance an example itinerary is detailed below. Starting from our base at Al Mussanah this route ends at our other base, Marina Bandar al Rowdha giving you the opportunity to explore further afield.

Day 1

Arrive in Al Mussanah marina where you will be met by one of our team for a short hand over session and safety briefing. You can then set sail from the marina and begin a leisurely day's sailing to the Dimaniyat Islands, Omans marine nature reserve. Arriving later in the afternoon you can anchor in one of the many secluded coves before enjoying a BBQ dinner on the beach before you return to the boat to relax under the clear skies.

Day 2

A morning of snorkelling, swimming or just relaxing onboard before departing the anchorage to explore more of the islands. An afternoon sail to another anchorage and an opportunity to explore ashore.

Day 3

Depart the Dimaniyat islands in the morning for a sail along the coast to Seeb Harbour. Anchor here and dinghy ashore to explore the local sights such as the fish market and souk. Dinner options in the evening include a choice of local restaurants.

Day 4

After breakfast leave Seeb harbour for a sail further along the coast towards the capital of Muscat. A short break for lunch onboard anchored at Al Fahal island followed by a sail along the coast past the corniche at Muttrah and the Royal Palace to Marina Bandar al Rowdha. Here you will be met by a member of the Oman Charter team to replenish your fresh food supplies. Moor for the night in the marina and enjoy dinner in the licensed restaurant.

Day 5

A hearty breakfast in the marina restaurant before a sail to Bandar Khiran a stunning fjord, home to hundreds of species of marine life and coral reefs. Anchor in your choice of one of the many coves and beaches and explore the inlets by dinghy or venture ashore to climb the rocky terrain and take in the breathtaking views. Another excellent opportunity to enjoy an evening beach BBQ.

Day 6

Start the day with a snorkel along the reefs in Bandar Khiran followed by a leisurely sail to Turtle City for some more snorkelling and turtle spotting. In the evening a short hop around the headland to anchor for the night in Big Ray Bay.

Day 7

Breakfast on board before sailing back to Marina Bandar at Rowdha to hand over the boat.
